

Reasons to choose St Alban's Sixth Form

I know the school well

St Alban's has a great sixth form

I liked the look of the sixth form

Because the teachers are always helpful and help us achieve the best possible grades

I was most comfortable with going to St Alban's rather than changing my learning environment

The teachers are really good at what they do

St Alban's is one of the best schools and sixth forms in the country

An easy environment to adjust to

Having looked at other sixth forms, St Alban's seemed to offer more that I could benefit from

Good results

Friendly, small sixth form, so not daunting

Good teaching

Good for science which was my option

Small enough for both years to mingle

I know all the teachers

All my friends go here

Small area

Friendly community

Familiar with teachers and peers

I chose to continue education at St Alban's because I believe it's a really good school with a positive environment – I'm the 4th out of 5 children to go through this process

The teachers are dedicated to helping the students

Friendly and welcoming working environment

It's like a family – everyone gets along

I wanted to attend a school with a solid moral ethos whilst maintaining high academic status and educational integrity

Nice sixth form building

Best school in this area
