School Direct

Secondary SCITT and School Direct Training Programme (Tuition Fee)

..... School is a partner with Suffolk and Norfolk Initial Teacher Training. Together we offer you:

- High quality teacher training which gives you the opportunity to learn about how to teach in a supportive school environment from the start of September – graded Good by Ofsted May 2013
- A blend of teaching experience in schools balanced by high quality centre-based training. Takes place in Ipswich and Norwich.
- Training by experienced classroom practitioners and highly qualified trainers
- Postgraduate Certificate in Education, Qualified Teacher Status (QTS) and 60 Masters level credits awarded by UCS and accredited by UEA and University of Essex
- A course which receives very high satisfaction ratings from trainees
- The opportunity to excel in teaching with personalised support from the training team
- Very high retention rates and employment outcomes

Please note that training may not take place in the named Lead School but in one of its partnership schools

For further details please look on our website www.snitt.co.uk and apply from the 1st November on the UCAS website <http://www.ucas.com/apply/teacher-training>
