

30 August 2022

Dear Parents and Carers,

It has been a busy summer of building activity in the school. The two main projects have been a refitting of the heating system in the main block (every pipe and radiator) and also the new canteen.

I am writing to you about the second project, the new canteen. Due to supply issues that have affected the whole UK over the last months, we will not be able to complete work on the canteen by the start of the term. This means that, except for those students who receive Free School Meals, **the canteen cannot serve any food in the first week of term**, meaning students will have to bring in their own food for one week, until Monday 12 September, when we will start food service again.

We apologise for any inconvenience that this may cause; please be assured that we have worked hard to ensure minimal disruption in a very difficult situation.

Yours sincerely,

Matt Baker  
Headteacher
