Dear Parents/Carers

You will be aware that the School and Sixth Form were inspected by Ofsted for two days at the end of January under the new, tougher framework.

I am delighted to inform you that we **have been judged 'GOOD' in every category:**

Overall effectiveness	Good
The quality of education	Good
Sixth Form provision	Good
Behaviour and attitudes	Good
Personal development	Good
Leadership and management	Good

The staff, Governors, Trust and diocese are delighted that the improvements we have made have been recognised. With our strong ethos at the core, you will see our young people are praised for their polite, mature and considerate attitudes, alongside a staff who have strong subject knowledge, high expectations for all, set in a caring and nurturing environment.

A copy of the report is available [here](#). If you cannot access this, we do have paper copies available in reception for your child to take home.

The staff and I are keen that this is an important milestone on a longer journey of continual improvement, and I thank you all for your wonderful support making this a reality.

Yours faithfully,

Matt Baker
