

## Information for Students

You will find the Careers team at St Alban's in the Examinations/Careers office, which is on the Ground Floor in the Main school building. Here you can browse prospectuses, careers books, look at leaflets, use the computers to research course and career options and speak to a member of the Careers team about your next steps and future plans.

Individual careers interviews will take place during Year 11 and 13. The careers team will be able to talk to you about jobs and careers and explore all the opportunities that you have available to you on leaving school, including sixth form, college, university, apprenticeships, employment and volunteering. Throughout your time at St Alban's you will take part in a number of careers and enterprise activities. Highlights for our pupils include our Year 8 Pathways evening, work experience for yr12, attending the Suffolk Skills & Careers Festival for yr9 and yr12 students, and our Enterprise Days as part of our Planning for Your Future Programme, college and sixth form open events in Year 11 and university and employer talks, university open days. Alongside these activities, you will have the opportunity to explore careers and prepare for your next steps through the Planning for Your Future lessons that are part of the timetable for all pupils from Years 7-13.

We are always pleased to hear how you think any of the careers and enterprise activities that you have taken part in have gone and whether you think they have been useful to you. By hearing what you have found most beneficial and what you think didn't work so well, we can make sure that future activities we carry out are even better. Please let the careers team or your Form Tutor have any feedback.

We are here to help you prepare for your future after St Alban's, so please come and find us in the Examinations/Careers Office and talk to us.

## Useful Careers Websites

There are a number of website resources available to you. Which are intended to enable you to research your career and course options independently. If you need any help with this please email us (careers@st-albans.suffolk.sch.uk) or pop in and see us.
