

5 October 2021

Dear Parent/Carer

Over the last few days, we have seen an increase in the number of students who are off school with a positive PCR Covid test result.

Please can we emphasise that if your child is unwell, they should not be attending school. Call 01473 726178 Option 2 to report their absence reason.

We strongly encourage parents to book a PCR test [online](#), through the NHS COVID-19 app or by calling 119 if they have a positive Lateral Flow Test OR any of the following common Delta variant symptoms:

Fever/temperature

Persistent cough

Loss of taste or smell

Headache

Runny nose

Sore throat

Sneezing

We also stress the importance of completing a lateral flow test twice weekly and will be distributing further tests later in the week.

We continue to encourage students to wear masks when moving around the school indoors. Where possible, please provide your child with a re-usable mask, as this is better for the environment.

Yours sincerely

Mr Baker
Headteacher
