

# Geography GCSE – Steps to Success

# 1. Know your exam board

## GCSE B Geography | Eduqas

<https://www.eduqas.co.uk/qualifications/geography-gcse-b> ▾

Eduqas GCSE Geography B develops and extends learners knowledge of locations, places, environments and processes, at a range of different scales. Learners who follow this qualification will build upon their locational knowledge acquired during key stage 3.

QN: 601/8153/9 Qual Code: C112QS

How to make the most of knowledge organisers

Key Idea 1.1: Urbanisation in contrasting global cities

1.1: Urbanisation: global patterns and global cities

Key Idea 1.2: Urban and rural processes and change in the UK

# 5. Learn your key words

## Geography Terms

High Pressure	Air pressure between 1020 and 1040 millibars
Low pressure	Air pressure between 970 and 990 millibars
Temperature range	The difference between maximum and minimum temperature
Anticyclone	A high pressure system
Total annual rainfall	The total amount rainfall for the year
Maritime climate	The climate conditions of land close to the sea
Prevailing wind	The direction in which the wind most often blows
Depression	A low pressure system
Cyclone	An intense low pressure area
Urban Heat Island	When a city has temperatures that are warmer than the surrounding rural areas

Practice these and try and use them in your answers. These are all available on the student shared area (SharePoint) and on TEAMS.

## 6. Apply your knowledge to practice questions

GCSE – **NEW**

C112U10-1

**GEOGRAPHY B – Component 1**  
**Investigating Geographical Issues**

TUESDAY, 22 MAY 2018 – AFTERNOON

1 hour 45 minutes

Past paper practice is essential- we will do lots in lessons but you can do some in your own time too- accessing them from the EDUQAS B website.  
Or you could purchase the workbook and your teacher will mark them for you

Figure 1.6 – Development aid, an education project in Uruguay, South America

'Long-term development aid is more effective than short-term emergency aid.'

Use the information in Figures 1.4 to 1.6 to help you decide how far you agree with this statement. Justify your decision. [8]

Your ability to spell, punctuate and use grammar and specialist terminology accurately will be assessed in your answer to this question. [4]

# 7. Top students include examples in their answers and explain each point in detail

Use key words

Be evaluative

Figure 1.6 – Development aid, an education project in Uruguay, South America

'Long-term development aid is more effective than short-term emergency aid.'

Use the information in Figures 1.4 to 1.6 to help you decide how far you agree with this statement. Justify your decision. [8]

Use examples

## 8. Attend revision sessions (start officially in January)/ watch screen

We will offer a morning session and an afternoon session- please try and attend some of these. They will focus on specific skills.

We have screencasts available that cover some of our content- all saved on TEAMS/Student Shared Area- watch these from home to strengthen your knowledge.
