

St Alban's Catholic High School

Home – School Agreement

Approved by Pupils Committee on: 10 February 2020

Next Review Date: December 2023

Education is a partnership between parents, students and school. At St Alban's we feel all partners should be clear about what each can expect of the others. This will enable every student the best possible chance of success within the Catholic ethos of the school.

Our School Mission Statement

St. Alban's Catholic High School strives to provide an excellent education for our students within a caring Christian community where all are respected, valued and supported to achieve their potential.

We aim to inspire everyone with the strength and purpose to begin the journey of learning for life and to prepare our students to lead by their example in the modern world.
