

## Learning PLUS+ – Religious Studies Year 13

### OCR ALEVEL in Religious Studies

#### Things you can do in your study periods

- Review and extend notes from previous topics
- Grab a textbook, pick a topic and create a revision resource on that topic
- Make an essay plan using past questions
- Create flashcards for key scholars for each topic
- Extended reading using recommended reading lists (mini-library in S2)

#### Preparing for Exams

All past papers can be found here:

- [AS and A Level - Religious Studies - H173, H573 - OCR](#)

You should choose 40-mark questions from the Philosophy of Religion, Religion and Ethics and Developments in Religious Thought (Christianity) sections.

Read examiners' reports and mark schemes to familiarise yourself with OCR expectations.

Ben Wardle runs a great youtube channel which focuses on OCR Religious Studies A-Level.

Mr Summers and Mr Mirshemirani upload all resources onto Teams to help you review topics.
