Re: Sixth Form Fund

Dear Parent/Carer,

There are a number of events over the course of the two years of Sixth Form which do require payment for, however, where possible we try to supplement costs as a school, for example with travel costs. As a school it is important to us that all students can access the curriculum so we will always endeavour to look for the most affordable options.

Our Sixth Form Council Contribution is now live on the [Arbor Shop](#) for parents to access. To help us run social events and purchase recreational supplies (e.g. games for the common room), we ask for a contribution of £10 per student. This is a contribution and we appreciate that some families may not be able to pay. All money goes towards student activities in Sixth Form. Whilst the money is used to subsidise events such as Year 13 prom, each year we ensure that there is a float kept for future Sixth Formers.

The sixth form student bursary is available to our year 12 and 13 students who meet the qualifying criteria. The money can be used to pay for travel passes, revision guides, textbooks, trips and travel for university visits. Students in year 13 will need to reapply even if they had the bursary last year. Further details and the application form is available on the school website. If you have any questions please speak to Mr Arthur by calling or via email to sarthur@stalbans-staff.org.

If you have any queries, please do not hesitate to contact me.

Yours sincerely,

Mr M Mirshemirani
